To Whom It May Concern:

Get 1 Free Magazine continues to prove itself as an effective advertising tool. The response we have consistently received from our ad in this magazine is remarkable. I believe this is an affordable and effective way to reach potential customers throughout the county.

Get 1 Free Magazine also has a very friendly and capable staff. Our Account Executive, Noah Taylor, is always on the ball and willing to cater to our specific needs.

Sincerely,

Dimitra Gelastopoulos
