To Whom It May Concern:

The "Get 1 Free Magazine" has been great for our business. We began advertising in November of 2005 and immediately saw a response. The coupons we placed as a part of the ad has been very popular. The buy one entrée get one free had the most return. We were also surprised that our 10% off a Catering Order was very well received.

Thank You, "Get 1 Free Magazine", for helping us enlarge our customer base and introducing El Indio to the new residents of San Diego, as well as reminding the older ones that we are still here.

Thank you,
